

“Summer Evening”
by Walter de la Mare
Season 5, Episode 6
Air Date: October 4th, 2021

The sandy cat by the Farmer's chair
Mews at his knee for dainty fare;
Old Rover in his moss-greened house
Mumbles a bone, and barks at a mouse;
In the dewy fields the cattle lie
Chewing the cud 'neath a fading sky;
Dobbin at manger pulls his hay:
Gone is another summer's day.
