Imitator of His and Mine”**

by William Butler Yeats

Season 6, Episode 4

Air Date: November 29th, 2021

YOU say, as I have often given tongue
In praise of what another's said or sung,
'Twere politic to do the like by these;
But was there ever dog that praised his fleas?

NOTES/NARRATION:

A large, faint watermark is centered on the page. It consists of a circle containing a quill pen with a feather attached to its holder. The quill is positioned diagonally, pointing towards the bottom left. The feather is large and detailed, with many barbs. The entire watermark is rendered in a light gray or green color. Below the watermark, there are several horizontal lines for writing, which are partially obscured by the watermark's circle.
